

# mynt

## COMPLETE POS SOLUTION

Mynt is a complete system providing everything you need for Retail or Restaurant Point-of-Sale.

## EVERYTHING YOU NEED IN ONE PLACE

### FEATURE-RICH SOFTWARE

Our software provides smooth transaction processing, inventory tracking, report generation, & more.

### DURABLE HARDWARE

Mynt's retail-hardened hardware includes a POS terminal, integrated receipt printer, cash drawer, & CC reader.

### 24/7 SUPPORT

We are here for you 24/7! With our easy to use online support, chat & phone support, you'll always have a helping hand.

### PAYMENT PROCESSING

Mynt works with most payment processors, so you can bring your own merchant account, or create a new account with your favorite provider.

### DEDICATED TRAINING

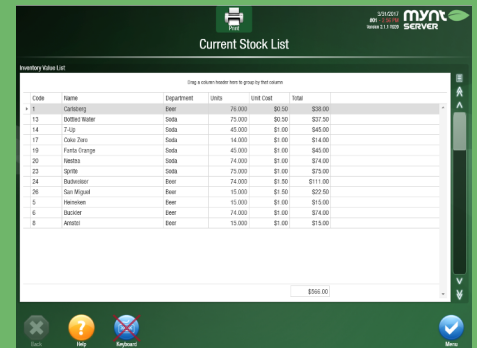

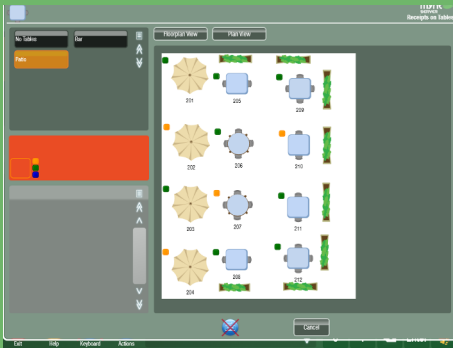

Mynt includes dedicated remote installation support and live training with a Mynt expert.

### MENU CREATION/SKU LOAD

Menu creation and SKU loading is included with a Mynt POS bundle. You won't have to spend time entering your menu & items.
