Navigate to “Menu” under “Menu Settings.”

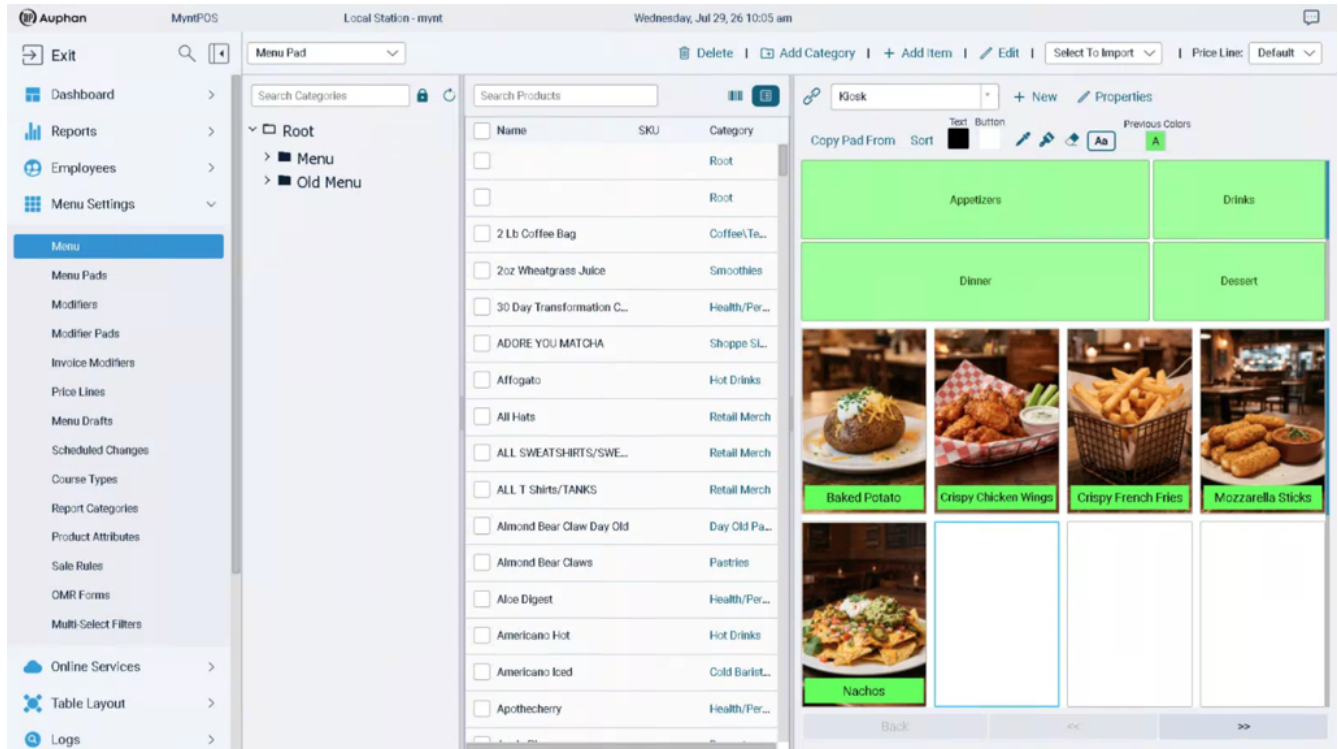

On the right-hand side above the Menu Pad, open the dropdown box currently labeled with the default menu.

Select “Kiosk”.

From here, the menu can be updated as you would your regular menu.

RESOURCES FOR GENERAL MENU EDITING:

[Creating and Applying Modifiers](#)

[Setup Item & Category Print Location](#)

[Adding Categories and Items](#)

Congratulations!

You can now successfully edit your Kiosk menu!
